Subject: RE: Lab number [REDACTED]

Hi Kristy,

I was the confirmatory chemist, I was given vials that contained sample dissolved in solvent and I ran them on the GC/MS against a known cocaine standard. I did not have physical custody of the drugs.
If you need any additional info please let me know.

Thanks,

Kate Corbett

I have this case in Superior Court and you are one of the chemists on the above-numbered drug certificate. If you could please let me know what you did with respect to this lab number, I would appreciate it.

Thanks!
